South Central Junior Cricket Association has a commitment to the Spirit of Cricket, and all that it stands for applies not only to the Laws of the Game, but is also fundamental when applying our competition bylaws and playing conditions. We encourage all clubs, players and supporters to uphold this commitment to the Spirit of Cricket.

South Central Junior Cricket Association (SCJCA) recognises that social media is a platform used for many Community Clubs and Associations to communicate with its members. We encourage members to be active within the Association and their Community Clubs to share the successes and experiences with cricket.

However the SCJCA reputation is valuable and respected as with our affiliates, members, sponsors and our stakeholders. Therefore we prohibit any communication that could be portrayed as defamatory, obscene or not within the best interests of the Association and its members.

For the purpose of definition social media is deemed as electronically communicated media via word, video, recording or image. Platforms for such are, but not limited to:

- Facebook
- Twitter
- Snapchat
- Instagram

If any player, coach, club or person posts an inappropriate remark or comment about another player, coach, club or association they may be suspended or fined at the discretion of the Association Board. By definition an inappropriate remark can be determined but not limited to:

- Abuse , harass or threaten any other person or entity
