### Coach's Code of Conduct

- Be reasonable in your demands on your players' time and enthusiasm.
- Teach your players that rules of the sport are mutual agreements which no-one should evade or break.
- Whenever possible, group the talented players. The 'just average' players need and deserve equal time and opportunity.
- Remember that children participate for fun and enjoyment and that winning is only part of their motivation. Never ridicule or yell at the children for making mistakes or losing a competition.
- Ensure that the equipment and facilities meet safety standards and are appropriate to the age and ability of the players.
- The scheduling and length of practice times and competition should take into consideration the maturity level of the children.
- Develop team respect for the ability of opponents as well as for the judgment of officials and opposing coaches.
- Follow the advice of a physician when determining when an injured player is ready to commence training or competition.
- Make a personal commitment to keep informed of sound coaching principles
